

**Specification Amendment under 37 CFR 1.121 (b)**

Please add the following paragraph under line 8, page 10 of the original specification.

Referring to Fig. 4, the patch includes a substantially thin patch body **72**. The patch body **72** includes a base side **74** that is attached to the base member **20**, and a main side **76** that is attached to the main member **12**. The sleeve **46** is provided between the base side **74** and the main side **76** of the patch body **72**.
